

Section 1: GENERAL PRIVACY RULES

1.8 Breach Notification for Privacy Violations

POLICY

1. This policy establishes a breach notification policy and plan for UF.
2. The University of Florida (UF) shall comply with applicable laws, rules, and regulations that require the protection of Restricted Data (e.g., patient, individual, student, etc.) and establish processes to satisfy state, federal, or other statutory or regulatory breach notification requirements.
3. UF's breach notification process shall be consistent with applicable law and University Regulations, as described in the following appendices:
 - a. Appendix A: HIPAA Breach Notification
 - b. Appendix B: Florida Information Protection Act (FIPA) Notification
 - c. Appendix C: National Science Foundation (NSF) Notification
